LITIGATION

We represent our clients, companies or individuals, on litigations before the Superior and Supreme Courts; Regional Courts; Courts of Justice and all kind of Judicial or Administrative Bodies and Instances, as well as before Arbitral Chambers in Arbitration proceedings.

Without losing our focus on all possible settlements, we defend our clients' interests and strengthen at most the respective positions in potential or ongoing conflict situations.

We operate in different Law areas and aim to, by means of truly differentiated dedication focused on the unique interests and goals of each client, participate as in-depth knowledgeable in the cases entrusted to our office without disregarding all the universe of relevant issues associated with them.

We love what we do and get excited with each conquest we share with our clients. We believe such involvement, allied to creativity aimed to our focus on seeking the best solutions in each case, has provided us with high success and satisfaction rates.

We also seek, by working ethically, responsibly and with required firmness, to regain and/or keep the best values of Lawyering and human beings, by aligning them to the fast and constant changes in technology and the society, making use of what the first one provides as its best to benefit the second, our clients and our profession.

A modern, dark-colored armchair with a textured fabric seat and backrest is positioned in a bright room. The chair is viewed from a side angle, showing its curved wooden frame and armrests. In the background, a large window offers a view of a city skyline with several tall buildings under a clear sky. The room is brightly lit, with shadows cast on the floor. A dark, semi-transparent diagonal shape is overlaid on the right side of the image, containing white text.

We also work in advisory activities and contract structuring, including, but not limited to, individual and/or collective labor complaints; discussions regarding product or service liability; relations with suppliers; warranties and financial risks.

As regards client profiles, we have worked with large-sized companies from the Automotive Industry, including automakers and auto part suppliers; Financial Institutions, Construction Companies and Real Estate Developers; Energy Distributor and Transmitter; Warehousing and Logistics Companies; Fast Food Chains; Hospitals; etc., as well as additionally assisting independent professionals or executives, owners and shareholders from different companies.
